All prices listed above are for standard poses and average sized animals. Extremely large animals may require additional fees, while extremely small or immature animals may be less. Open mouth is available on any mount. Prices for open mouth start at \$150. Custom poses are available. Life-size mounts include basic artificial dirt base. Pedestal prices include a high-end oak base (walnut and other woods also available for an additional cost). Custom habitats for life-size and pedestal mounts and hardwood bases for life-size mounts are priced individually. Please call the studio with any questions concerning pricing on species not listed.
